## Civic Engagement and Outreach Committee

The Civic Engagement and Outreach Committee continues to collect used Eyeglasses/ Sunglasses as well as used Hearing Aids. These are donated to the Lions Club for their International Missions where they are then repurposed and given to underprivileged individuals who so desperately need them.

We will be accepting donations at our next general meeting, or you can call me at 561-309-7202 and I can arrange to pick them up at your home. Donations can also be dropped off at my home, 627 Chipper Drive. (I will have a basket by my front door.)

### November Volunteer of the Month Patsie Ginley

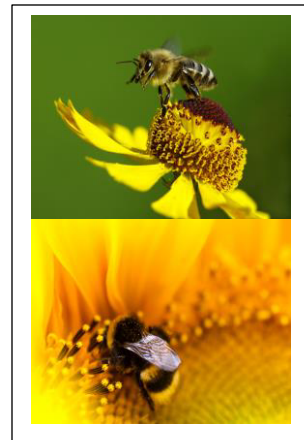

As an active Woman's Club member Patsie Ginley collects can tops for the Shriner's, collects egg cartons for the Security Patrol helps with crafts for seniors through the Arts and Culture committee.

She is also our Publicity Director and shares stories and photos of our club with the Observer and other local newspapers.

Within the Environmental/Conservation team Patsie helped organize and collect over 450 pairs of shoes by hosting a Community Shoe collection on March 8, 2023. When this event was over, she and Mary Starrett. Loaded their vehicles with 22 very heavy boxes of shoes, which equated to 600 pounds, and drove them to the UPS for delivery to 3rd World Countries for people to start up a business and the very ones were that was recycled/collected.

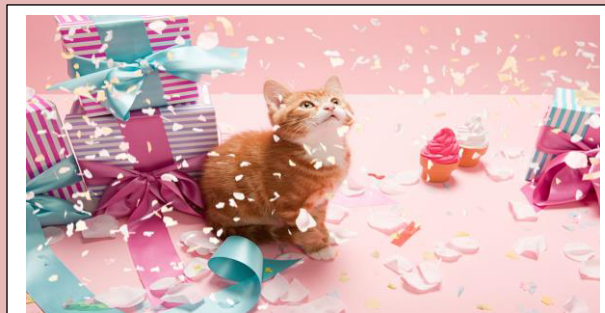

Patsie is also a member of the Kiwanis Club, Audubon Club, and a member of the AAUW-American Association of University Women that help raise money for scholarship. Patsie enjoys meeting people and every Monday she is a volunteer driver for the Samaritan's Service and is also a member of the South Hillsborough Chamber of Commerce.

What would we do without Patsie! I give Patsie a Bee Necklace because she is a very busy flying from place to place.

## December Volunteer of the Month

Karen Sochon

Karen Sochon serves as our Program Director and has done an awesome job this year and last year finding interesting and fun programs and speakers for our General meetings. Before taking on this job Karen served as the Recording Secretary for 10 years. She joined the GFWC Sun City Center Woman's Club in 2007 and volunteers where we need her. She has driven for many years for the Meals on Wheels. Is active in her church and the community. She mentors at the Ruskin Elementary school. I give to Karen an Angel for she has earned her wings by showing kindness and love to everyone.

**What a great group of ladies we have! Our angel tree donations – gifts and cash – totaled \$2999.78. Thank you everyone for your generosity.**

## January Volunteer of the Month

### Daisy Vega

Daisy Vega has served as the Membership Directory for 2 years. She has worked hard and spent many hours getting new members to join the GFWC Sun City Center Woman's Club. Daisy has organized the Membership List to include not only names, addresses, emails, phone numbers, CA Badge numbers, what activities they want to do, Birthdays and if they are snowbirds and not here year-round which helps all the committee heads.

She belongs to 2 Woman's Clubs and started and runs her own Foundation—

[daisy.vega@freedomwalkfoundation.org](mailto:daisy.vega@freedomwalkfoundation.org) where she helps many people with MS. She always steps up to help others in her community. Daisy recently started a Membership committee and has organized quarterly club events like an ice cream social and game day, and bingo with music.

I would like to give Daisy this Turtles necklace because she reminds me of the baby turtles called diamondback terrapins. They travel in straight lines and stay in groups till they are big enough to go in the ocean and can swim to a new home, never losing their way.

Remember a turtle moves slow and steady and never leaves the path and will win the race in the end.

## Arts and Culture Team

**We will be collecting square Tissue Boxes at the January Meeting. The Arts and Culture team will be visiting retirement facilities to decorate the boxes with residents just in time for Valentine's Day.**

## Our December Meeting Snippets

Thank you once again for your continued support of our efforts, and for showing our gratitude and appreciation to our first responders.

## Meals on Wheels

A big thank you for all the volunteers who delivered meals in December for Meals on Wheels. Thanks to your support, we delivered 261 meals in Sun City Center and 418 meals in Kings Point, for a total of 679 meals delivered during the month. Although the number of meals needed this month in Sun City Center was lower than expected, that need can change at any time. Thank you all for your dedication, compassion, and flexibility. A special thanks to Fran Fallon who coordinated the daily contacts for meal delivery in Kings Point.

### Meals on Wheels Chairman, Karen Oglesby

Several people have asked who can receive Meals on Wheels and how to access the service. Anyone who lives within the CA or in Kings Point can receive meals. This can be short term (such as recovery after a hospital stay) or long term. Several people have meals delivered 7 days a week, others want meals only a few days per week. You do not need to be housebound to receive meals. To set up meal delivery, call Samaritan Services at 813-634-9283. The cost is \$7.50 per meal. Samaritan Services coordinates the daily list for who receives meals and handles the sign up and billing, the hospital provides the meals, and a different local club, church, or service organization provides the volunteer drivers each month. Woman's Club coordinates the program with the various monthly groups and delivers meals during the month of December. In 2023 we celebrated 50 years of delivering Meals on Wheels in Sun City Center. If you have any questions or know of someone who could benefit from Meals on Wheels, please feel free to contact me at 413-522-0190. Karen Oglesby
